

Nawaf Rubayan Alhejaili

Junior Software Engineer | Computer Science Graduate

Medina, Saudi Arabia | +966 53 717 9270 | nawaf.rubayan@gmail.com | [linkedin.com/in/nawaf-rubayan-69a636296](https://www.linkedin.com/in/nawaf-rubayan-69a636296)

Professional Summary

Recent Computer Science graduate with a strong foundation in software development, databases, and problem-solving. Experienced in Java, C, HTML, and MySQL, **with three years of customer-facing experience as a Receptionist**, developing excellent communication, organization, and multitasking skills. Passionate about building software solutions, learning new technologies, and contributing to collaborative development teams. Seeking an entry-level Software Engineer or Junior Software Developer position where I can apply my technical knowledge and continue growing as a developer.

Technical Skills

Programming Languages: Java, C, HTML

Database: MySQL

Core Skills: Object-Oriented Programming (OOP), Problem Solving, Data Structures, Software Development Fundamentals

Soft Skills: Communication, Customer Service, Teamwork, Time Management, Organization, Adaptability

Projects

AI-Powered PDF RAG Assistant

Technologies: HTML, JavaScript, OpenAI API, Claude API, Gemini API, PDF.js, IndexedDB

- Built a web-based RAG tool that allows users to upload PDFs and ask questions about their content.
- Implemented PDF text extraction, chunking, and semantic search for context-aware AI responses.
- Integrated multiple LLM APIs (OpenAI, Claude, Gemini, Ollama) with model switching support.
- Added persistent storage using IndexedDB for saving documents and chat history.

Education

Bachelor of Computer Science

Taibah University, Medina

Graduated: 15 June 2026
